

Microsoft Office

- Word.
- Powerpoint.
- Excel.
- Access.

A composite screenshot showing various Microsoft Office applications. At the top, a Microsoft Word document titled 'Reseña de Audrey Hepburn, La Verdadera Belleza.docx' is open, displaying a portrait of Audrey Hepburn and text in Spanish. Below it, a Microsoft Excel spreadsheet titled 'Microsoft Excel 2003 - Sales Analysis' shows a table of sales data for 'CONTOSO' with columns for Region, Quarter 1, Quarter 2, Quarter 3, and Quarter 4. The table includes data for six units and a total row. To the right of the Excel window, a Microsoft PowerPoint slide titled 'LA VERDADERA BELLEZA' is visible, featuring a quote in Spanish and a small image of Audrey Hepburn. A pie chart is also visible in the background of the slide. The bottom right corner shows a portion of a Microsoft Access database interface with a chart.
